Sub: Establishment of the Centre for Development of Intellectual Property and Research (CDIPR)

We are delighted to announce a significant milestone in our commitment to promoting Education and Intellectual rights that we are establishing the *Centre for Development of Intellectual Property and Research (CDIPR)*. Dedicated to fostering innovation, creativity and intellectual property rights (IPRs) protection to foster, facilitate and support the realm of Intellectual Properties including Geographical Indications, Trademarks, Patents, Copyrights, Designs and other related IPs. The Centre aims to serve as a pivotal institution dedicated to the advancement and protection of Intellectual Property Rights in India. Through a multifaceted approach encompassing research, advocacy, education and outreach, the Centre endeavours to promote innovation, creativity and economic growth while safeguarding the rights and interests of creators, innovators and stakeholders.

The nomination of Office Bearers and other essential notifications pertaining to CDIPR shall be duly published within five working days. We extend our heartfelt gratitude and invite all our members and stakeholders to join us in this milestone and actively participate in the activities and initiatives of CDIPR. We believe together we can make a meaningful impact in “*Fostering Innovation, Protecting Creativity*”.

Following are the details of the centre

The ***Centre for Development of Intellectual Property and Research (CDIPR)*** is a pioneering institution dedicated to fostering innovation, creativity and Intellectual Property Rights

protection established under the of the *Indian Centre for Child and Human Rights*. CDIPR stands as a beacon of excellence in India's intellectual property landscape. As succinctly captured in its motto, “*Fostering Innovation, Protecting Creativity*”, the Centre strives to create an environment where innovation flourishes and creativity is safeguarded through robust Intellectual Property protection mechanisms and to be a leading catalyst for the development and dissemination of Intellectual Property knowledge and practices that drive economic growth, social progress and technological advancement in India and abroad.

Mission & Vision

The Centre’s mission is to foster a culture of innovation, creativity and entrepreneurship by advocating for the protection and enforcement of Intellectual Property Rights. With the envisioned a future where Intellectual Property is recognised as a cornerstone of economic growth, social development and technological advancement, contributing to the prosperity and well-being of individuals and communities.

Core Objectives & Principles

1. **Promotion of Intellectual Property Rights:** CDIPR shall promote awareness and understanding of intellectual property rights through education, training and advocacy initiatives.
2. **Facilitation of IP Registration Process:** CDIPR shall perform registration, hold and facilitate the registration process for various forms of intellectual property, including geographical indications, patents, trademarks, copyrights, designs and other IPs. Provide guidance, assistance and support to individuals, businesses and organisations seeking to protect their intellectual assets.
3. **Support for IP Centers of Research & Development:** CDIPR shall aim to support and facilitate the establishment of IP Centres of research and development, fostering collaboration, knowledge exchange and innovation in diverse fields.
4. **Conduct Research & Innovation Projects:** CDIPR shall conduct cutting-edge research and innovation Projects in the field of Intellectual Property, generating insights, evidence and knowledge to inform authorities, government agencies for policymaking, support industry growth, and address emerging challenges and opportunities.
5. **Capacity Building & Skill Enhancement:** CDIPR shall be committed to building capacity and enhancing skills in the field of intellectual property rights to organise

workshops, seminars, training programs and conferences to empower stakeholders with the knowledge, tools and expertise.

6. **Advocacy for Policy Reforms:** CDIPR shall advocate for policy reforms and initiatives aimed at strengthening intellectual property protection, enforcement and administration to engage with policymakers, legislators and government agencies to promote a conducive legal and regulatory environment that fosters innovation, creativity and entrepreneurship.
7. **International Collaboration and Networking:** CDIPR shall foster collaborations and partnerships with national and international organisations, academic institutions, industry associations, government agencies and other stakeholders to promote cooperation, exchange best practices and advance intellectual property rights on a global scale.

Aim

The primary aim of the Centre is to empower individuals, businesses and organisations to harness the full potential of their intellectual assets while ensuring the protection and enforcement of their intellectual property rights to create an enabling environment that fosters innovation, stimulates creativity and drives economic growth.
