**Sub:** Administrative announcement for the Centre for Academic Research and Excellence (CARE)

On this auspicious occasion of *Gandhi Jayanti*, we are delighted to share some significant updates regarding the *Centre for Academic Research and Excellence (CARE)* and extend our warmest wishes for this special day.

We are delighted to unveil the official logo of CARE which represents our commitment to academic research, legal scholarship and educational excellence. This logo embodies the values of dedication, inclusivity and intellectual rigor that CARE stands for. We believe it symbolises our journey towards advancing knowledge and promoting justice.

Further, it gives us immense pleasure to announce the nomination of Mr. Pritam Kumar as the Convener of CARE cum Co-Convener of Research at ICCHR. We have full confidence that his leadership will guide CARE towards achieving its academic research objectives effectively.

In addition, the official website of CARE, which can be accessed at [www.care.icchr.in](http://www.care.icchr.in) will serve as a hub for information, updates and resources related to CARE's initiatives, events and publications. For all official correspondence with CARE, the following email address to be used: [care@icchr.in](mailto:care@icchr.in). This email address is now active and will be the primary means of communication with CARE.

We would like to take this opportunity to wish everyone a meaningful and reflective Gandhi Jayanti. Let us remember the principles of truth, non-violence and social justice championed by Mahatma Gandhi which continue to inspire us in our pursuit of Child and Human Rights.

We look forward to continued support and participation in the initiatives and activities of CARE. Together, we can make a positive impact on academic research, legal education and the promotion of justice.

Regards,

02/10/23

**(DIPENDU DAS)**

**Convener, ICCHR**
